

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

January 20, 2000 LB 175, 289, 509, 1113

was not going to get moved yet this morning. We do have here a little bit of time left to introduce bills, but I want to make a change on the agenda. It's my understanding that there is a motion to suspend the rules to cancel a hearing date. Now would be an appropriate time to take that up, and, Mr. President, or, Mr. Clerk, I am not sure who filed that motion to suspend but I assume that it was my seatmate, Senator Jensen. I would move or I would change the agenda, at this point in time, to go to that rule suspension.

SENATOR CUDABACK: Mr. Clerk.

CLERK: Mr. President, Senator Jensen would move to suspend Rule 3, Section 13, to cancel a public hearing notice of seven days for purposes of cancelling the hearing on LB 1113.

SENATOR CUDABACK: Senator Jensen, you're recognized to speak on the suspension of the rules.

SENATOR JENSEN: Yes, we had LB 1113 scheduled for our committee next Wednesday, and in visiting with Senator Lynch, who has asked that we would cancel that hearing, and this particular issue would be taken up in the Appropriations Committee. I think that is appropriate in this particular instance and I would just ask the body to go along with cancelling of this hearing for that purpose. Thank you.

SENATOR CUDABACK: Seeing no lights, the motion before the body is, shall the rules be suspended? All in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on the motion to cancel the notice of public hearing.

SENATOR CUDABACK: Motion does pass. Mr. Clerk.

CLERK: Mr. President, items, notice of cancellation by Health and Human Services Committee. Hearing notices from the Government Committee, those signed by the respective chairpersons. Amendments to be printed: Senator Quandahl, to LB 175; Senator Beutler, LB 289; Senator Brashear, to LB 509.
